

Community Street ART Project

The next phase of the street art project will involve coming up with some themes/designs and spray painting the Yeomanry Way underpass on The Grange.

The painting will take place on the 17th and 18th August and there will be some sessions leading up to this where we will be putting ideas together for the design.

You can sign up to the project and find out more by emailing Mel Bland- mel.bland@daventryphoenix.org or coming along to a registration event on Friday the 10th July at 5pm at the Phoenix Centre.

There are limited spaces so it will be first come first served. If you miss out this time you be put on a list for future projects.

People of all ages are welcome to be involved. Contact us to find out how.
